In The Name Of The Most Merciful Allah

"Ye are the best nation that hath been raised up unto mankind: ye command that which is just, and ye forbid that which is unjust, and ye believe in Allah. And if they who have received the scriptures had believed, it had surely been the better for them: there are believers among them, but the greater part of them are transgressors. They shall not hurt you, unless with a slight hurt; and if they fight against you, they shall turn their backs to you, and they shall not be helped. They are smitten with vileness wheresoever they are found; unless they obtain security by entering into a treaty with Allah, and a treaty with men; and they draw on themselves indignation from Allah, and they are afflicted with poverty. This they suffer, because they disbelieved the signs of Allah, and slew the prophets unjustly; this, because they were rebellious, and transgressed." (Al-Imran - verses 109-111).

Israel will exist and will continue to exist until Islam will obliterate it, just as it obliterated others before it" (The Martyr, Imam Hassan al-Banna, of blessed memory).

"The Islamic world is on fire. Each of us should pour some water, no matter how little, to extinguish whatever one can without waiting for the others." (Sheikh Amiad al-Zahawi, of blessed memory).

circuit of which we have blessed, that we might show him some of our signs; for Allah is he who heareth, and seeth." (The Night-Journey - verse 1).

Since this is the case, liberation of Palestine is then an individual duty for very Moslem wherever he may be. On this basis, the problem should be viewed. This should be realised by every Moslem.

The day the problem is dealt with on this basis, when the three circles mobilize their capabilities, the present state of affairs will change and the day of liberation will come nearer.

"Verily ye are stronger than they, by reason of the terror cast into their breasts from Allah. This, because they are not people of prudence." (The Emigration - verse 13).

The Jihad for the Liberation of Palestine is an Individual Duty:

Article Fifteen:

The day that enemies usurp part of Moslem land, Jihad becomes the individual duty of every Moslem. In face of the Jews' usurpation of Palestine, it is compulsory that the banner of Jihad be raised. To do this requires the diffusion of Islamic consciousness among the masses, both on the regional, Arab and Islamic levels. It is necessary to instill the spirit of Jihad in the heart of the nation so that they would confront the enemies and join the ranks of the fighters.

It is necessary that scientists, educators and teachers, information and media people, as well as the educated masses, especially the youth and sheikhs of the Islamic movements, should take part in the operation of awakening (the masses). It is important that basic changes be made in the school curriculum, to cleanse it of the traces of ideological invasion that affected it as a result of the orientalists and missionaries who infiltrated the region following the defeat of the Crusaders at the hands of Salah el-Din (Saladin). The Crusaders realised that it was impossible to defeat the Moslems without first having ideological invasion pave the way by upsetting their thoughts, disfiguring their heritage and violating their ideals. Only then could they invade with soldiers. This, in its turn, paved the way for the imperialistic invasion that made Allenby declare on entering Jerusalem: "Only now have the Crusades ended." General Guru stood at Salah el-Din's grave and said: "We have returned, O Salah el-Din." Imperialism has helped towards the strengthening of ideological invasion, deepening, and still does, its roots. All this has paved the way

towards the loss of Palestine.

It is necessary to instill in the minds of the Moslem generations that the Palestinian problem is a religious problem, and should be dealt with on this basis. Palestine contains Islamic holy sites. In it there is al- Aqsa Mosque which is bound to the great Mosque in Mecca in an inseparable bond as long as heaven and earth speak of Isra' (Mohammed's midnight journey to the seven heavens) and Mi'raj (Mohammed's ascension to the seven heavens from Jerusalem).

"The bond of one day for the sake of Allah is better than the world and whatever there is on it. The place of one's whip in Paradise is far better than the world and whatever there is on it. A worshipper's going and coming in the service of Allah is better than the world and whatever there is on it." (As related by al-Bukhari, Moslem, al-Tarmdhi and Ibn Maja).

"I swear by the holder of Mohammed's soul that I would like to invade and be killed for the sake of Allah, then invade and be killed, and then invade again and be killed." (As related by al-Bukhari and Moslem).

The Education of the Generations:

Article Sixteen:

It is necessary to follow Islamic orientation in educating the Islamic generations in our region by teaching the religious duties, comprehensive study of the Koran, the study of the Prophet's Sunna (his sayings and doings), and learning about Islamic history and heritage from their authentic sources. This should be done by specialised and learned people, using a curriculum that would healthily form the thoughts and faith of the Moslem student. Side by side with this, a comprehensive study of the enemy, his human and financial capabilities, learning about his points of weakness and strength, and getting to know the forces supporting and helping him, should also be included. Also, it is important to be acquainted with the current events, to follow what is new and to study the analysis and commentaries made of these events. Planning for the present and future, studying every trend appearing, is a must so that the fighting Moslem would live knowing his aim, objective and his way in the midst of what is going on around him.

"O my son, verily every matter, whether good or bad, though it be the weight of a grain of mustard-seed, and be hidden in a rock, or
