“All Will be Defeated and Flee” – An Audio Speech by Abu Hamza al-Muhajir, the Emir of al-Qaeda in Iraq

An eighteen-minute audio tape attributed to the Emir of al-Qaeda in Iraq, Abu Hamza al-Muhajir, was issued today, Thursday, September 7, 2006 by the umbrella insurgency group, the Mujahideen Shura Council in Iraq. During the course of the message, which is titled: “All Will be Defeated and Flee,” the emir gives his name both as Abu Hamza al-Muhajir and Abdul Moneim al-Badawi, and promises the war against the occupation and Shi’ite Iraqi government will continue. In the spirit of Abu Musab al-Zarqawi’s heated words for the enemy, Muhajir attacks both the United States and the Iraqi government, stating: “You the liar, Crusader Bush, and you the slave herds, the servants of Jews, you have to know that the blood that runs in our veins asks for revenge from you in is the highest level and our swords tainted with your blood are eager to get more of it. What you saw in the past is a drop of what you are going to see and what is prepared for you”.

In addition to assuring a coming victory for the Mujahideen and threatening a continuing, more severe jihad, Abu Hamza al-Muhajir calls upon every Sunni Muslims to kill at least one American during the next fifteen days, either by sniper fire, improvised explosive device (IED), or suicide bombing, “as it is needed in the battle”. He also calls upon every free Sunni whose kin was killed or captured by Shi’ite authorities, to kill one Shi’ite member of al-Mahdi Army, al-Ghadr Brigade, the Dawa Party, or Hezbollah.

Concluding the speech is a renewed pledge of fealty to al-Qaeda leaders Usama bin Laden and Dr. Ayman al-Zawahiri, as well as Taliban Emir Mullah Omar. He states: “we continue with our pledge to you. We continue with the path of jihad. We are part of you...so do with us as you wish, and all you will find is an obedient soldier”.

The Arabic audio clip is available here:

Following is a translation of the speech:

All Will be Defeated and Flee
A Speech by Abu Hamza al-Muhajir
The Emir of al-Qaeda in Iraq and a Member of the Mujahideen Shura Council in Iraq

<Highlights of the speech are featured in the beginning>

- 03:50 - I call upon you not to abandon your weapons. I ask every one of you to kill at least one American within the next fifteen days by sniper, or bomb or suicidal operation or as the battlefield requires.
- 04:30 – Mujahideen Shura Council has the pleasure to present a speech from the Emir of al Qaeda organization in the Land of Two Rivers, Sheikh Abu Hamza al-Muhajir with the title of "All Will be Defeated and Flee".
- 04:50 – You, the Muslim people of the Land of Two Rivers, rejoice. Your sons are mighty swords and high spears. Just tell us and we will spill our blood defending your religion and honor. You have to know that you sacrificed a lot and were hurt badly. But you have to know that Allah gave you this hardship to test you and test your patience. Before Allah, if we are martyred and we are asked about you we will tell that you were so good to hug us and to shelter us. You were very generous, brave and bold. You will harvest the fruits of your patience, Allah willing. Beware of Satan putting you down.
- 07:20 –By Allah, we are about to reach our goal. I can see the victory coming to us. You have to know that in the present time, after the belief, there is nothing better then jihad for Allah's Sake <Qur'an Verse>. Be united, purify your hearts and be a support for your brothers, the Mujahideen. <Qur'anic Verse>
- 08:24 – To our brothers in the battlefields, you must know that our blood supports your blood; our men and weapons are against your enemy and ours. We did not go out seeking a position or other thing, but only to do jihad for the Sake of Allah and supporting Allah's religion and asking to please Him. Be united and put your hands in our hands so as Allah's Words will raise and the words of the unbelievers fall. Here the enemy is gathered against us, isn't now the time to be united? <Qur'anic Verse> You the liar, Crusader Bush, and you the slave herds, the servants of Jews, you have to know that the blood that runs in our veins asks for revenge from you in is the highest level and our swords tainted with your blood are eager to get more of it. What you saw in the past is a drop of what you are going to see and what is prepared for you. Just wait for the black days which make you forget what you saw and what you think about free people who the Jews spoiled their lands and dishonored them. You, the Roman's dog, don't be conceited with the number or the weapons. The war is still in its beginning. This is the first battle and the best thing will be its end. <Qur'anic Verse>
- 11:10 – You the agent Magis, [non-believers], your time is over. By Allah, you are so low to have to have a risen flag. Baghdad al-Rashid will not be ruled, but only by the grandsons of Sa'ad and Ibn al-Walid. Here are your masters fleeing; they do not care about a betrayer agent. Your destiny will be the same destiny like your grandfathers, the Shi'ite Magis, like al-Tousi and Ibn al-A'alqami who sold Baghdad to the Tartars. The first committed suicide and the latter was killed and dragged in the streets of Baghdad a filthy corpse. You are the grandsons of betrayers and people of treachery and the scandals of yesterday and today. As if we are in the time Ismailis and al-Battiniya and the Qaratimiya and al-Abe'diya, it comes back with its worst picture. So wait, you will get by our hands what your grandfathers got by our grandfather's hands. You have to know, you Magis, if you came back to your senses and come back to the proper Islam and your repentance is the thing we like most. If you refuse, just wait for what is coming from us.

The coming is more severe and bitter. You will be helpers of the occupier from the Iraqi party and those who support them. You lied to yourselves and you betrayed your country. This is no wonder as you lied to Allah before. You pretended that you would take part in the political process to shelter the Sunni people from harm. However, you were in fact bringing more harm on them as you brought the killer of Muslims in Fallujah and you appointed him Minister of Defense. You made the leader of the parliament the one who is more dangerous of the Sawfis, who made the statement in Iran. They have nothing to do with what is going on in Iraq even though they are working to stabilize the safety of Iraq. Here is the Hashemi

who says that we need one or two years to build the Iraqi forces. He was insinuating that the occupier should stay.

...

14:30 – You the Tawhid knights, and knight monks and bold lions, may Allah reward you for us and for the Muslims. I saw the battles and its men and I testify that our nation did not keep from us its best men. I never saw such people; I only heard from them the news from the pioneers. Therefore, I testify that they are the most truthful people and they are the most stable and they are the hardest for the Sake of Allah. You have to know, my brothers, that Allah chose your Emir to glorify him. He didn't go before he set up everything. Be patient and steady;

O you the congregation of the Emir of the Believers, the sons of Usama, the students of al-Zawahiri, and the men of al Zaraqawi, I call upon you so you do not abandon your weapon and do not take rest or give rest to your enemies.

I call upon each and every one of you to kill at least one American in a period no longer than fifteen days with a bullet of a sniper or an explosive package or a suicidal car as it is needed in the battle. I call upon every free Sunni whose father or brother was killed by the Magis or one of his relatives or dishonored him or destroyed his house or captured one, to kill one Shi'ite Magi from al-Mahdi Army, or al-Ghadr Brigade or al-Dawa Party or Hezbollah or al-Adala.

17:15 – My last message is to our leader Mullah Omar and our Emir Usama [bin Laden] and our Sheikh [Dr. Ayman] al-Zawahiri. I say, we continue with our pledge to you. We continue with the path of jihad. We are part of you...so do with us as you wish, and all you will find is an obedient soldier.

Rejoice with what pleases you and do with Allah's blessing.

18:10 – The Mujahideen's servant, Abu Hamza al-Muhajir; Abdul Moneim al-Badawi
